RE: Application of Total Environmental Solutions, Inc. for Rate Relief
Docket No. 2004-90-W/S, ELS File No. 557-10022

Dear Charlie:

It has come to the parties' attention that every party did not receive the Commission's First Order on Remand on the same date. This discrepancy has resulted in differing deadlines for the parties to file and serve briefs and/or proposed orders in response to the Commission's First Order on Remand.

The parties have agreed that it would be unfair for any party to have the advantage of viewing another party's brief and/or proposed order before finishing its own brief and/or proposed order. In order to avoid this potential inequity, the parties have agreed, after a conference call with Joseph Melchers, that they will all serve any briefs and/or proposed orders in response to the First Order on Remand on or before March 15, 2006.

 The parties have authorized me to submit this agreement to the Commission and request the Commission's approval. Please let me know if you need any additional information in order to address this request.

With kind regards, I am

Yours truly,

John F. Beach
